PHOTOGRAPHY & VIDEO

At IEG we pride ourselves on making special connections with our couples so that we don't photograph your special day, we tell a story. We will create a collection of images/scenes that capture your love story in a very unobtrusive way. We offer all day coverage so you'll never have to worry about your photo/video leaving your reception early!

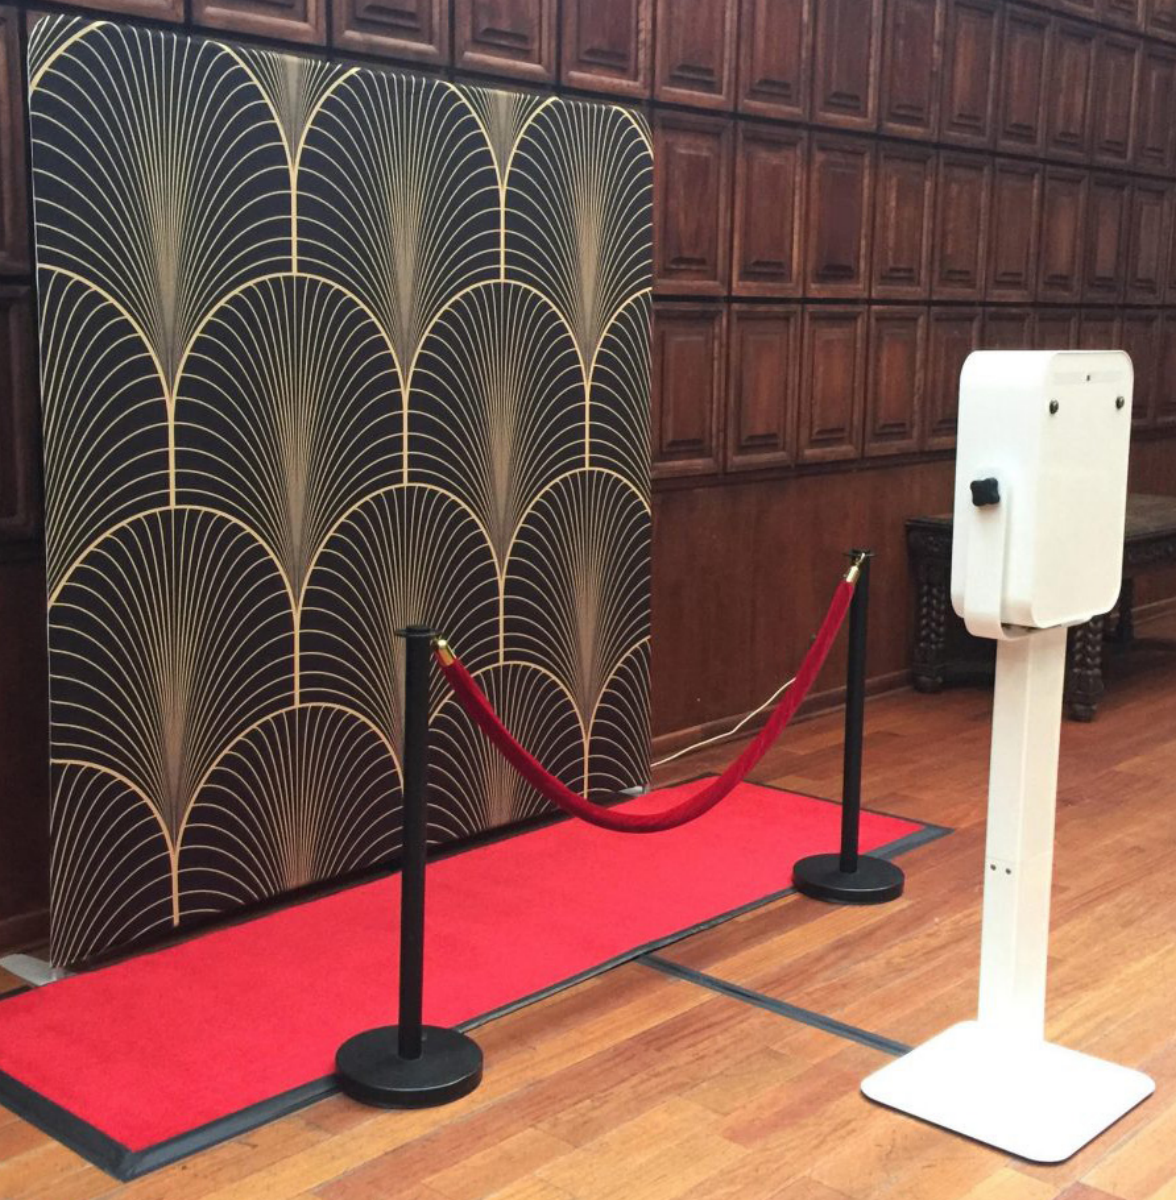

PHOTO BOOTHS

Experience the fun and laughter as you watch yourselves strike a pose on-screen while wearing funny hats and many other goofy props. What makes us the best photo booth in town? We don't just settle for standard design. We go the extra mile to customize designs based on your event's theme or color so your prints become creative artworks that are uniquely your own.

A photo booth is an excellent way to enhance your upcoming event, however it is important that it never becomes a distraction to your entertainment. As a result, we developed a process to ensure that you guests enjoy a unique photo booth experience. All guests instantly receive a customized print of their group picture within 30 seconds or less. Based on the sheer speed of our booth. All of our rentals include unlimited photo booth sessions.
