# ABOUT US

Under the Moon Café was born in 2006 from the desire of Estela Buontempo Orosco and Santiago Orosco to create a restaurant with a warm, welcoming atmosphere that offers home cooked style meals and the best desserts in Bordentown, NJ.

The exquisite made from scratch food from our internationally inspired cuisine, along with a well known customer service reputation drove us to open another location in Lambertville, NJ, giving us the opportunity to expand our family.
