

Congratulations on your engagement!!

*Each couple is unique and so each wedding ceremony needs to be unique.
The most beautiful ceremonies reflect the hopes, dreams, love, traditions, and values that you bring to each other.*

It is an honor to help you experience an inspiring wedding ceremony, one that celebrates the richness of your relationship and your hopes and dreams for the future. In addition to providing rabbinical and cantorial services for Jewish weddings, Rabbi Adrienne conducts both interfaith and secular wedding ceremonies and is happy to co-officiate with special friends or family, or clergy from other faiths. She believes strongly in marriage equality and delights in serving and supporting the LGBTQIA+ community. In life – and especially at a wedding – everyone should feel loved and embraced.

Rabbi Adrienne will work together with you to plan the ceremony of your dreams. She will help you:

- Understand the possible religious rituals and cultural traditions that might be included
- Select readings, rituals, customs and music for the ceremony
- Determine how to involve family and friends
- Prepare a wedding program that can be copied and distributed

Rabbi Adrienne will provide spiritual guidance as you take this important step in your lives, and she can serve as both Rabbi and Cantor for your ceremony. She will complete a basic ketubah for you or help you find an artist to custom design one.
