

Weddings at The 1867 Sanctuary

Celebrate your special day, surrounded by the elegance and beauty of the historic 1867 Sanctuary. Our stunning stained glass windows provide an exquisitely beautiful setting not found anywhere else. We can accommodate up to 200 guests, giving you a welcoming and intimate setting for your wedding, whether large or small.

Conveniently located near I-295 in Ewing, New Jersey, we are about one hour from Philadelphia and an hour and half from New York City. We are open year round, air-conditioned, and ADA accessible.

As a former church sanctuary, we have a pipe organ and grand piano available for your music. The Sanctuary has been noted for its excellent acoustics and can provide superior support to any music or musicians you would like.

No "church membership" is required and we are open to all.

Our site fee for wedding ceremonies is \$750 and includes one hour for the rehearsal and four hours on the day of the wedding. For an additional fee, we can accommodate receptions within the Sanctuary. Arrangements can also be made with the Ewing-Covenant Presbyterian Church across Scotch Road for larger reception facilities.

As an effort of Preservation New Jersey, all proceeds of our wedding rentals go to the support of this historic landmark.
