### Touch Ups

We do stay for touch ups if contracted prior and if your artist/stylist is available. Touch ups start at \$75 per hour per artist/stylist. If your artist/stylist has to travel to various locations other charges will apply, also if they leave and return later in the day prices will vary.

### Travel

A travel fee will be applied for each artist/stylist we send to you the day of your wedding. We will discuss start and finish time as well as how many people are having hair and makeup services, this will help us to determine how many artists/stylists you will be needing. Our travel fees are determined on the distance our artists/stylists will be traveling and range from \$25 to \$50 per artist/stylist. If paid parking is required, the client will be responsible for the cost. Arrival time prior to 6:30 am will result in an additional \$50 fee per stylists

### Payments

All payments must be made via PayPal invoice or cash. We do require payments be made 5-7 days prior to your event. This helps avoid confusion and saves time the morning of the wedding.
