**Tippling Taps** is a Vintage Mobile bar and **Tipped Sweets** is a boozy desserts catering company.

Just like a marriage, our Tipple companies have their own identities, but also partner together to give you the ultimate event experience for all of your celebrations.

Our family owned business was born out of a love for a desire for a great time. A wife and husband duo, we (Sandy and Julius) are known for our events and gatherings throughout the years, and it was time to share our passion for hospitality!

Inspired by classic and modern mixology, and a generational passion for baking, we knew there might be something to this alcohol-meets-sweets thing.

We always use quality ingredients to handcraft our artisanal creations and we look forward to spoiling your taste buds! From our family to yours, we desire to give everyone a joyous experience and to create memories you will share with your loved ones.

# Working With Us

Tippling Taps is a luxury mobile bar service. Owned and operated by husband and wife, Julius and Sandy, this duo brings over 20 years of Bar and Events Management experience to your special event! Our co-founder, Julius, is a certified Sommelier, Cicerone, and Mixologist. His expertise creates your perfect Signature Cocktails and crafts your guests' beverages for a unique event experience.

RoseBella, our vintage chic, three-wheeled Italian Piaggio Ape (pronounced "ah-peh") mobile bar, is the perfect touch of uniqueness for your event and her charm will leave an ever lasting impression on your guests. RoseBella has 4 taps which can be used to tap your choice of alcoholic or non-alcoholic beverage. We're more than a mobile bar catering service, we're a mobile bar experience!

Tippling Taps provides craft beverage catering for all types of events. Our truck, RoseBella, can handle events of any size, indoors or outdoors. In addition to creating a memorable experience for every guest through our eye-catching bar and artisanal beverages, our RoseBella also serves as a wonderful photo opportunity for you and your guests.

When it comes to beverages at your event, it is our mission to provide everything you need to keep your guests satisfied in style.

Whatever your celebration, we want to be a part of it! Weddings, showers, brunches, corporate events, grand openings/launch parties, reunions, engagements, bachelor/bachelorette parties, block parties, retirement parties, birthdays, graduations, and any other reason to celebrate...

# BREAKING DOWN THE PROCESS

## *How it Works*

Our Service model is to help curate the perfect package to accommodate the unique aspects of each event. From start to finish, our team will guide you every step of the way.

We understand planning for a special event can be stressful enough, so when it comes to your bar, let us help calm the nerves and do everything for you.

Step

1

### *Tap In!*

Book your date before it's too late! Fill out our form detailing your event and we will schedule a free consultation with you. During your consultation we will discuss our services and options for your event.

# Additional Items

## Travel Charges

We Love to Travel! We are based out of Hoboken, NJ. Our general rule of thumb is that we travel anywhere within a one-hour radius, which is 35 miles each way, but don't be afraid to reach out if you are a bit farther! We charge a \$3/mile travel fee for any location greater than 35 miles away. Please note, the cost of tolls is not included and will be in addition.

## Non-Local Event Considerations

- For an evening event 2 or more hours away: overnight charges apply.
- Destinations over 2 hours away will require overnight stay charges

## Generator

Our RoseBella Ape requires electricity. If needed, we have a generator that can be rented for an additional \$75.

## Taxes

Taxes will be added to the final bill. We accept cash, checks or credit card payments via our online invoices with Square.

# Answering your FAQ

Q: Is alcohol included? What kind of permits will I need for my event?

A: Due to New Jersey and New York laws and regulations, we are not allowed to purchase or sell alcohol at your event. It is the client's responsibility to provide the alcohol and secure an SLA license (if applicable). Don't worry, we can help. The good news is we are equipped with tools to eliminate any stress this process may cause and are at your service to walk through the process every step of the way.

For any permits that may be needed, it is the client's responsibility to secure those. Generally, if your event is held on private property, you will not need to secure any permits. For private parties where no license is required, you must purchase the alcohol at an SLA licensed retailer. We have also partnered and built great relationships with local vendors to alleviate the high markup rates of retail alcohol prices! It's a win-win for everyone! If you have any questions, please email us!

Q: Do you carry insurance?

A: Yes! We carry general liability insurance, as well as liquor liability insurance. We can provide copies of our insurance policies to your venue upon request.

Q: How big is your tap truck? Does it require anything extra?

A: Our tap truck is 5 feet wide by 9 feet long and 6 feet high. We do require a designated power outlet within 100 feet of the truck's location. If no outlet is available, we do have a generator available as an add on for a fee.

Q: What beverages do you serve and if we're not having alcohol at our event can we still use RoseBella?

Absolutely! Our tap truck can serve Wine, Beer, Prosecco and custom kegged Cocktails. We can also use our Piaggio Ape for mocktail recipes, juices, cold brew coffee and other non-alcoholic beverages!

Q: What is your deposit and payment policy?

A: A 50% deposit will be required to book your reservation with a signed contract and secured event date. The remaining 50% balance is due one week prior to the event. Unfortunately, since we block out your date specifically from further inquiries, bookings cancelled within 90 days of the event are not eligible for a refund of your deposit unless Tippling Taps secures another event for your date.

In the event of inclement weather we will do our best to accommodate if you wish to reschedule. The client is responsible for any outdoor tents if necessary. Tippling Taps does not provide any tents or other gear in the event of rain.
