# Entertainment

*DJ/MC, Singers, Musicians, Percussionists, etc*

Our entertainment professionals will utilize their vast experience to make your event a successful. No matter what your event,

we have the perfect MC, DJ and entertainer that will delight your guests with just the right level of announcements, music, showmanship and enthusiasm. Our singers and musicians are available as a DJ add-on or as a member in a band. Our Band ensembles range from 3 to 12 members; right-sized for big and small events. Want to wow your guests? Why not have Joan Rivers greet them as they arrive or Cher singing "Half Breed"!

Our performers and impersonators are the best in the business. Need Audio/Visual Services? Whether you are hosting a gala for 600 people or an intimate gathering we can provide the right combination of microphones, speakers, lights, monitors and projectors to make it a huge success.

# Weddings

*All religions, All customs*

At **AJS Events**, we know that each bride has her own unique vision of her wedding. We work closely with each bride, really listening to her vision, and becoming her collaborative partner in designing the right custom photo/video/entertainment package for her occasion.

Our photographers document each joy-filled moment with the blend of traditional, candid and photo journalistic images that fully express the love, laughter and spirit of your special day. From traditional color imagery to stunning black-and-white and sepia-toned artistry, our photography is timeless as well as contemporary. Our unobtrusive HD videography of your wedding day creates a unique and romantic audio-visual memory to be enjoyed by your friends, family and future generations tastefully edited on DVD, Blu-Ray, Flash Card or Online Streaming. Our selection of DJ/MC, Musicians & Entertainers will make your wedding the "talk of the town".
