## Wedding Day Work Sheet

*Most weddings consist of ceremony, cocktail, and reception; 5 to 6 hours.*

- \_\_\_ Would you like us to capture you getting ready? (Typically add an hour to an hour and a half.)
- \_\_\_ Are you doing a First Look? (Add 2 hours if you want all your pictures completed prior to the ceremony.)
- \_\_\_ Will your ceremony be off-site (church wedding)? (Take into account commute time.)
- \_\_\_ Do you want to attend your entire cocktail hour? (If you aren't doing a First Look give enough time after the ceremony.)
- \_\_\_ Do you want to make sure we stay until the end of the night, or is the last hour not as important to you?
