

Deer Run Hay Company

*Hay is for Horses...
AND
Weddings/Events!*

Deer Run Hay Company is a farm that grows and harvests hay in Hunterdon County, NJ. The hay is then turned into bales that can be rented or purchased for your special event. The company provides hay and straw rentals for a number of uses at weddings, parties, and other large events in NJ and parts of PA. Hay bales can be used as ceremony seating, benches, lounge chairs, tables, bars, and décor. This company also crafts mini hay bales that are great for tabletop decoration, centerpieces, and dessert/candy bars.

Hay bales add a bit of charm to any celebration and are perfect for adding a country feel or rustic touch to your event. The hay comes in three different sizes and the design possibilities are endless. All hay comes undecorated, but the company accepts customization requests and can decorate your hay with flowers, bows, and signage. For each rental package, the company will deliver, set up, and remove this charming décor.
