Photo Booth Studio

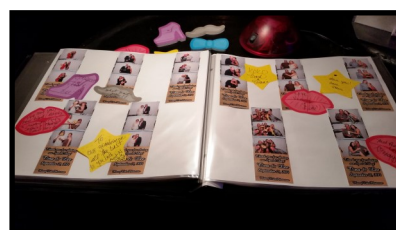

The most common setup of the Open Air Photo Booth incorporates a photographic or green screen backdrop with or without the use of a bench. The recommended floor area required for setup with bench and backdrop is approximately 8' by 8'. Ultimately, the versatility in setup is only limited by the imagination of the client and the physical constraints of the event space. Groups of 10-20 have gathered in front of the Open Air Photo Booth to have their images taken.

Our open

concept photo booth allows the guests to stand in front of any style backdrop. We provide the backdrop or can create a custom green screen background with any design, logo and image. Custom 4X6 inch or the classic 2X6 inch bookmark strips are available.

Adding a Memory Book to your photo booth rental allows your guests to leave a copy of their images, with a personalized message for you to keep.
